Interested in keeping up with new books?
Want to find out what your colleagues are reading?

Join us for a discussion of five-time Coretta Scott King Award-winner Sharon Draper's *Out of My Mind*, the compelling story of an 11-year old girl with cerebral palsy determined to break free of her physical limitations. Please bring a new title that has impressed you to share with the group after the discussion.

Yes! I want to participate in the New Book Forum and Book Discussion of ***Out of My Mind*** by Sharon Draper.
